**IN RE: Dakota Access, LLC.
DOCKET NOS: FCU-2016-0006; HLP-2014-0001
COMPLAINT FILING**

I, Erin Riley, respectfully submit this 27th day of June, 2016, a formal complaint against Dakota Access, LLC. This complaint may be considered in joinder to Docket No. FCU-2016-0006 for property DAPL-IA-WA-036.000, but consists of additional and separate grievances related to pipeline construction without completed Easement Agreements and without final payments rendered to all landowners.

Regarding a "48-hour Notice of Commencement of Construction" sent by USPS mail June 17, 2016: Dakota Access, LLC, will be in breach for construction of their pipeline on property IA-WA-036.000. Not all signed revised Easement Agreements from the landowners have been received, and final payments to the landowners have not been made to this date. Thus, Dakota Access, LLC, will be engaging in construction without final contracts, permits, and completing payments owed.
